

# Waste Management Recycling Scholarship

**P**RESENTED TO:

Dallas Independent School District

**S**UBMITTED BY:

Waste Management, Inc.

*From everyday collection to environmental protection,  
Think Green.™ Think Waste Management.*

Waste Management of Texas, Inc is offering the Dallas Independent School District students funds to support their continuing education and commitment to a sustainable environment. The funds will recognize high school seniors that are making a conscious effort to be involved in their school's recycle programs and are applying these traits in their daily lives. The students that will be recognized are those that are involved in their school's efforts to recycle in the classroom.

Waste Management of Texas, Inc. will donate \$3,000 to the District for distribution in FY 2015. The awards will be given to three students chosen by a committee comprised of representatives from the District and Operations Department. The three graduating high school seniors with the best essays will receive a \$1,000 scholarship award.

To apply, please follow the instructions below:

1. Please print legibly or type.
2. Incomplete applications will not be reviewed.
3. Completed applications must be submitted to Aaron Rankin via [arankin@dallasisd.org](mailto:arankin@dallasisd.org)

#### Application Requirements

- Student uses sustainable practices in their daily routines and is involved in the school's program or has an idea for developing one if one is not in place
- Student maintains a passing average
- Student completes an essay detailing ideas for recycling programs and sustainability at their school or in their community

## **Waste Management Recycling Scholarship**

1. School Name:
2. Principal:
3. Recycling Coordinator (if applicable):
